Subject: AutoCAD Backgrounds
Project: Salesforce Transit Center
200 Folsom Street
San Francisco, California 94105

As requested, I have prepared AutoCAD files of **Salesforce Transit Center Project** for your use. Prior to release of the files to you, MBH Architects requires that you read, accept, sign and return this letter to MBH Architects.

NOTICE:

MBH Architects will provide CAD data files to:
as a convenience to you. Please be advised that these are not As Built Drawings and are provided with the understanding that all conditions should be field verified to confirm the degree of accuracy required for your specific project. Use of the CAD data is limited to **Reference Only** and cannot be used for any other purpose. By accepting and using these documents without retaining MBH Architects to perform any Architectural Services and in exchange for the transfer, you agree to release us and indemnify and defend us from any claims, damages or losses that MBH Architects might incur that result from any transfer of CAD data or any use, re-use or modification of MBH Architects' CAD data by you or others.

Please contact me should you have any questions or require any additional information.

A handwritten signature in blue ink, appearing to read "Ryan McNulty".

Sincerely,

Ryan McNulty
MBH Architects
